- Designed, Developed and Hosted Blogs with custom HTML,CSS elements for blog
- Wrote 50 Blog posts to share New Learnings with the Community

Smart Augmented Reality Glasses

- This System Displays Map Directions and Whatsapp/Message Notifications on the Specs.

Technologies : Arduino C, Tasker

MINI PROJECT

Log Date Range Printer

Binary Search Based Date Range Log Printer Script.

Accepts Date and Returns All entries in Log File from first Occurrence of Start Date to Last Occurrence of End Date.

Technologies : Java, Git.

More Mini Projects on github.com/bhavneetsingh58

SKILLS DESCRIPTION

- **Python - Certified from Microsoft ,Used Heavily In Current Job**
- **SQL - Well Acquainted and USed at Current Job**
- **Java** - Interned at P.M.C. Bank (I.T.) now Unity Small Finance Bank
- **HTML,CSS,JS** - Freenlance Developer at Vidhyashala Academy
- **C# ASP.net and React.JS** - Underwent a 3 month intense Training Program and Used at last Job
- **C Programming** - Certified from Aptech
- Well Acquainted with **Data Structures , Algorithms , Good Coding Practices and Version Control(Git)**

TECHNICAL PAPERS

- Paper on Big Data Model @ Vidyalankar
- Paper on Block Chain Tractor Model @ KC College
- Paper on Smart Augmented Reality Glasses @ KC College

ACHIEVEMENTS

- **Winner** - GD - Detroux 2017
- **Runner Up** - Debate - Detroux 2018
- **Winner** - App Dev - Khoj 2015
- **Runner Up** - Web Master - Detroux 2018

-
- KrashCode 2019 - CodeChef
 - VIT-Mun(2018) - Vidyalankar.
